

## **FISCAL NOTE**

### **HB 290 - SB 869**

February 13, 2007

**SUMMARY OF BILL:** Stipulates that salary supplements for qualified firefighters and police officers are to be at a flat rate of \$600.

### **ESTIMATED FISCAL IMPACT:**

#### **Increase State Expenditures - \$855,000**

#### Assumptions:

- Police pay supplements have historically been paid at \$600 per officer. Therefore, there would be no increase in state expenditures attributable to pay supplements for police officers.
- Firefighter supplements average approximately \$450.
- There are approximately 5700 firefighters that would be paid an additional \$150 per year according to the provisions of this bill.
- The increase in state expenditures is calculated as:  
 $5700 \times \$150 = \$855,000$ .
